Verse 2:
Today was gonna be the day
But they'll never throw it back to you
By now you should've somehow
Realised what you're not to do
I don't believe that anybody
Feels the way I do
About you now.

And all the roads that lead you there were winding
And all the lights that light the way are blinding
There are many things that I would like to say to you
But I don't know how.
